Please be advised that Regional Family Medicine now posts your medical information to the Central Arkansas SHARE Database for use by emergency medical providers and other medical providers. This information is subject to the same privacy rules as our office.

Participation in this database is required by the HITECH Act of 2009, but you have the right to opt out. Please notify an employee of Regional Family Medicine, if you wish to stop your information from being stored.

* Regional Family Medicine is a member of an ACO (Accountable Care Organization). This organization is set forth to get patient centered care focusing on YOUR needs. They help gather information to enable your health care providers see the same test results, treatments, and prescriptions. The ACO can also aid in preventing medical errors and drug interactions. This can help you to save money and time by avoiding repeated test and appointments. Better communication can help protect against Medicare fraud.
